The Transforming Power of Prayer

Silent, Guided, Weekend Retreat *October 27-29, 2017*

Fidelity to prayer changes us. Only, however, if we accept St. Paul's reminder in his letter to the Romans that we do not know how to pray. Rather it is the Holy Spirit who prays in us.

During this weekend, Mary Pat will explore with participants many of the ways the Spirit guides our praying and the signs of transformation it brings about in our daily lives.

There will be time set aside for personal and group prayer and reflection.

“...the Lord

was not in the hurricane

... nor in the earthquake

... nor in the fire

... but in a still small voice”

1Kings19:11-12
